The Government is providing additional funding to provide new, substantial school sport funding in order to improve the provision of physical education and sport in schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards:

Key Indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key Indicator 2: Engagement of all pupils in regular physical activity

Key Indicator 3: Profile of PE and sport is raised across the school as a tool for whole-school improvement

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key Indicator 5: Increased participation in competitive sport

At Deansbrook Infant School, our objectives for the use of the PE and Sports Premium are:

- To promote high quality physical education
- To improve confidence amongst staff in the delivery of high quality PE lessons across the school.
- To promote positive attitudes to health and wellbeing
- To ensure children's physical development leads to better outcomes for children in terms of physical skills such as writing; personal, social and emotional development; communication and language.

Review of last year's spend and key achievements (2023/2024)

Activity/Action	Impact	Comments
Activity Club - MTS to lead a lunch time activity club	Children are able to participate in organised sports activities in the playground during lunchtime. Targeted children attended the club, when referred by class teachers.	Successful as children can safely play ball games and other team games in an allocated area.
Sports extra-curricular clubs to include additional sports activities eg hockey	Hockey was not popular so changed to multi sports club which proved to be very popular. Good opportunity for children to try out a variety of sports.	Over subscribed and available for children from Reception as well as KS1 in the summer term.
Lunchtime multi-sports club for targeted children in Reception	The school was unable to secure a sports company to run sports club for children in reception at lunchtime. Reception children were able to join after school club instead.	
Replenish sports equipment required to teach the curriculum eg balls and beanbags for games lessons	Teachers were able to teach lessons effectively due to adequate resources	Resources audited and replenished by PE lead
Annual Maintenance of PE equipment and playground equipment	Children use PE equipment which is safe and well- maintained	School have been notified of some equipment that will need replacing in 24.25
Annual subscription to Complete PE Scheme of Work linked to the National Curriculum	PE is taught consistently and systematically across the school	Staff previously received training on the Complete PE scheme using PE premium funding. Focus on Gym, dance and games
Annual subscription to BPSS (Barnet Partnership for Sport on Schools)	KS1 children participate in sports events with other local schools and are able to access a wider range of sports	Programme of events includes activities adapted for children with SEND

Barnet Dance Festival cost of costumes/transport etc	Children in Year 2 are given the opportunity to perform in the Finchley Arts Centre with other children from Barnet schools. Inspirational for our Year 2 children to watch children in KS2, KS3, KS4 perform dance routines.	Parents/carers of children taking part in the dance festival gave very positive feedback and expressed how much their children enjoyed the experience
Release for PE leader to attend training / support teachers / attend sports events	PE lead is able to keep up to date with PE events and new initiatives. Networking with PE leads at neighboring primary schools.	PE lead has disseminated information to headteacher and staff, where appropriate
