

# School Council Meetings

Date: 26.01.2026

## Agenda:

-Responsibilities and jobs around school to keep us safe and keep property organised and tidy.

## Things we discussed:

- We can make sure to put equipment (e.g hoops and cones) away after playtime ready for others to use. (Aiden)
- Coats fall off the pegs so we can have a peg monitor. (Hiba)
- Someone can tidy the book corner after ERIC time. (Elliot)
- Sometimes the library is disorganised so someone can help put the books away correctly. (Lilly)
- We can have fruit monitors to make sure everyone has a fruit and is throwing it in the fruit bin. (Asti)
- Sometimes children don't wash their hands after the toilet so we can have a toilet monitor. (Kaiden)
- We can make sure there are enough pencils and scissors in the pencil pots. (Gracie-Mae)

## Action you need to take:

- We can assign monitors termly to each class who help organise the school.
- We can collect feedback from the students to see if this is helping children understand their responsibilities.
