Message from Mrs Catley

Don't forget our Easter Bonnet competition on Thursday next week. Children can wear their bonnets and hats to school and we will choose the best in each class. Thank you!

Science Week

We have had such an exciting science week! The week started with a visit from Sublime science who showed us different experiments such as making slime and whacky rockets.

Today we had science professor from Spark2 visit our school and showed the children experiments to do with time and air. What a great week we have had being scientists!

Thank you

Another huge thank you to Wickes in Borehamwood who have donated £200 worth of decking, top soil, compost and bark chippings to our school.

Our fabulous site manager, Mr Parnaby, along with our brilliant volunteer, Sue Laithwaite, are going to make some beautiful planters. The children will then help plant seeds and bulbs, which will brighten up the pathway into the school from Hale Drive.

Thank you to them both and thank you to Wickes.

Thank You

We are delighted that Aydin and Zakariya's parents in the Nursery have kindly donated some Gardening Equipment for our school. These will be used by our gardening club in the summer term.

Thank you so much for these wonderful resources.
