

Photograph Consent

Child's name: _____ Class: _____

Occasionally we may take photographs of the children in school. We may use these images in our school prospectus, or in other printed publications that we produce, as well as on our website and MLE.

We may also make video or webcam recordings for educational use.

From time to time, our school may be visited by the media who will take photographs of pupils when we have special events and activities. These will appear in local or national newspapers and may occasionally be in a televised programme.

- We will not use full names or personal details of any child.
- We will not use the name of any child to accompany a photo.
- We may include pictures of pupils and staff that have been drawn by pupils.
- We may use group or class photos with very general labels such as 'a science lesson'.

We need your permission before we can take photographs or make any recordings of your child. Please answer the questions below, then sign, date and return the completed form to the school.
