Dear Parent

TRANSFER TO JUNIOR SCHOOL 2026

Although almost all children will transfer from an infant school to the linked junior school, a formal admission process is required, and an application form must be submitted. If you do not apply, **your child may not have a Year Three place in September 2026.**

To apply for a junior school place for your child, you must submit **one** application to your home local authority. We anticipate that most of you will only want to apply for a place at the junior associated with your child's infant school and you will be given infant to junior transfer priority in most cases. However, you can also include other junior schools in your application, either within or outside your home borough. If you live in London, applications must be submitted online at www.eadmissions.org.uk. If you live in Hertfordshire or another borough outside London, please check your Local Authority's website for information on how to apply.

Barnet applicants may apply for up to three junior schools. Faith schools will require you to complete a Supplementary Information Form (SIF), in addition to the online application, if you wish to request priority on the grounds of faith.

For further information, please visit [Transfer to junior school September 2026 | Barnet Council](#), refer to the booklet [A Guide to Primary Education in Barnet 2026](#) and to the booklets published by other councils.

The Junior Transfer application process **only** relates to children transferring from an infant school to a linked or separate junior school. There are six junior schools in Barnet, these are:

The Annunciation Catholic Junior School

Garden Suburb Junior School

Brookland Junior School

Moss Hall Junior School

Deansbrook Junior School

Queenswell Junior School

You must submit your junior school application by **Thursday 15 January 2026**. The outcome of your application will be sent to you on **Thursday 16 April 2026**. The deadline to accept your school offer is **Thursday 30 April 2026**. If there are any available places, the Admissions Team will make further offers to children on school waiting lists in mid-May 2026.

If you wish to apply for a Year 3 place at a primary school which is not listed above, you will need to submit a separate In-Year Application Form available on line [here](#). Please note that it is too early to apply now for an in-year place in the next academic year; you will need to wait and apply in August 2026.

Yours sincerely

Barnet Admissions Team
