Message from Mrs Catley

Thank you to all our wonderful community at Deansbrook for being so understanding about the hot weather. It was a very difficult week for everyone but would not have been so successful without our amazing staff and children! Thank you

Summer Fair Help

Can you give up an hour or two on Saturday
11th July to help?

Please follow the link below to sign up
for a slot.

<https://signup.com/go/kpwAPrD>

There are still plenty of slots left so please sign
up if you can

Thank you

**I am also delighted to tell you that Rocksteady
will be playing at the summer fair and Year 1
and Year 2 will be singing!**

**Make sure you are there to support your child
and watch them perform.**

Thank you to Morrisons, Borhamwood
for donating these lovely plants for
our school. Many thanks also to the
Nursery children for planting them
and looking after them.

We are sorry that due to the
exceptionally hot weather, we had to
postpone our sports day yesterday.

We have now rescheduled this event for
Wednesday 1st July at 2pm.

This year we are doing things slightly
differently and the whole school will be
celebrating Sports Day together.

The children will be in mixed teams with
children from Reception, Year 1 and Year 2
in each team.

Parents/carers are very welcome to attend
and we need spectators to cheer
the children on!

Do you need to hire a space? Our school hall is now available to hire through the website Sharesy. The hall is suitable for a regular booking for a class or club or for one off family occasions, such as a children's party. Please click the link:

Unwanted new gifts

Toiletries such as soap, bubble bath, hand cream, talc etc

Bottles of wine,

Boxes of chocolates

Brand new candles

DO NOT BLOCK DRIVEWAYS!

I am sorry to say that, yet again, I have been contacted by a local resident regarding parents blocking driveways.

I cannot stress enough how important it is that no cars are parked across driveways while dropping off and picking up your children from school.

Vaccinations are one of the most effective ways to protect children from serious and potentially life-threatening diseases. Keeping your child's immunisations up to date helps safeguard not only their health but also the wellbeing of classmates, family members, and the wider community. Diseases such as measles are becoming more common due to children not being vaccinated.

Please check that your child's vaccinations are all up to date.
